U O No 1036 TE one 76

Dated 19th July 1954 82

Returned to the Secretary to Government, Education Department, Bangalore

46 The Davangere City Municipal Council is due to the Occupational Institute, Davangere a sum of Rs 80,000/- including its contribution for the year

contribution for the year 1954-55 also, at the rate of Rs 20,000/- per annum, from the year 1951-52 The claim from the said Municipality is now sought to be repudiated on the ground that the two additional Diploma courses in Civil Draftsmanship & Estimating and Electrical Technology have been abolished in the Occupational Institute, Davangere and that there is no justification for claiming this amount

4. It may be stated that there is no substance in this argument and no support for the stand now taken up by the Davangere Municipal Council for the following reasons When the Occupational Institute at Davangere was started in the year 1949-50, there were only one Diploma Course in Oils and Soap Technology and three Artisan Courses in (1) Electric Wireman, (2) Textiles (Spinning) and (3) Tailoring and Dress Making During the year 1950-51, at the special request of the Municipal Council, Davangere which agreed to contribute a sum of Rs 20,000/- towards the recurring charges, ~~xx~~ per year, as stipulated in Government Order No L 3056 71/J 0 9 7 48 13 dated 29th September 1949, for starting two additional Diploma Courses in Electrical Technology and Civil Draftsmanship & Estimating And accordingly these two additional Diploma courses were started in the Institute in accordance with the Government Order No L 10184 90/J 0 9 L 50 dated 27-12 1950 And according to the promise, the Municipal Council contributed a sum of Rs 20,000/ ~~xx~~ also, towards the recurring expenditure of these courses for the year 1950-51

48 When the revision of several Diploma and Certificate Courses was done by an Ad hoc Committee constituted by Government in their Order dated 29-9-1949 for the purpose, with a view to making these two additional Diploma courses started in the Occupational Institute, at Davangere correspond to the similar basic Diploma courses existing in the other Occupational as well as technical institutes in the State, the designations of all similar Diploma courses including these two courses were changed from Civil Draftsmanship and Estimating and Electrical Technology, to Civil Engineering (Draftsmanship & Construction) and Electrical Engineering(General) respectively, and the said courses were not actually abolished In fact, it may be mentioned, in view of such revision these two courses of study were actually upgraded And even to-day these courses are being continued in the Occupational Institute, Davangere Once it is not clear why the Davangere Municipality is making a point that there is no justification for demanding the promised contribution towards these two additional Diploma courses on the ground that they have been abolished But, actually the courses that have been abolished in the Institute are the two Artisan courses in Electric Wireman and Textile (Spinning) and also the Diploma course in Oils and Soap Technology, as there was very poor response from candidates for admission to these courses The stand taken by the Municipality is unintelligible and appears unreasonable to say the least '

49 The Municipality cannot find fault with the Government or the Institute for upgrading the courses in Davangere Institute along with

along with similar courses of study in the several Occupational Institutes in the State More useful subjects have been introduced in the curriculum of studies and the entire benefit of all this goes to the residents of Davangere The responsibility both financial and moral devolving on the Municipality have been repudiated If the Municipality had not taken the responsibility of contributing the promised amount of Rs 20,000/- per annum, towards the recurring expenditure as required by the Government Order dated 23-9-1949, Government would not have started these two additional courses in the Occupational Institute Davangere Having so complied with the request of the Davangere Municipal Council, Government were advised technically for the sanction of these courses being introduced in the Occupational Institute, Davangere

50 In the circumstances, I feel that the moral responsibility of the Municipality in this behalf is even greater than the financial responsibility which has got to be enforced effectively Otherwise, at this rate, it becomes impossible for Government to start any technical institutes in the mofussil areas on the assurances held out by the local bodies at the initial stages Hence this is a very important consideration which should receive attention by Government

51 In view of the above considerations, the Davangere Municipality may be definately informed that the two addition l Diploma courses were started in the Occupational Institute, Davangere in the year 1950-51, only on the initiative and

Annual Contribution to the Occupational Institute Davang
(12) Sri by the Davangere city Municipality

and moral assurance of the said Municipality
for the regular contribution of Rs 20,000/-
per annum Hence, it cannot go back on its
promise in the matter I therefore request
that Government may be pleased to issue suitable
instructions to the City Municipal Council,
Davangere to pay its outstanding arrears of
Rs 80,000/- only inclusive of its contribution
for the year 1951-55 and to continue to pay
the annual contributions regularly in future

52 The Statement of the Davangere City Municipal Council that the 2 Courses (Civil Draughtsmanship and Electrical Technology) have not been started in the Occupational Institute Davangere is not correct As stated in the above note of the DTE at paras 47 and 48 supra, these Diploma Courses were started, but the nomenclature of the 2 Courses were changed and upgraded into Civil Engineering (Draughtsmanship & Estimating) and Electrical Engineering (General) respectively, in Consonance with the general revision of Courses in the various Technical Institutions in the State In the circumstances the Contention of the Municipal Council is not liable for the Contribution of Rs 20,000 which they have promised (and on the strength of which promise the 2 Courses were started) is not tenable Suitable instructions as at A' above (in the DTE's note) may be issued to the City Municipal Council

Sir,

Subject - Payment of annual contribution by Municipality to the Government Occupational Institute, Davanagere waiving of

Reference -G O No L 3068-70/C M 17-53-2 dated 8-6-53

I write to state that the above Government Order approving the Budget estimates of this Municipality for the year 1953-54 the Govern--ment have under item No F2 (a) Public Instruction Municipal Quota, included an accumulated arrear contribution of Rs 60,000/- for the - maintenance of the Occupational Institute at Davanagere during this year The Municipal Council considered this subject at their special meeting held on 13-7-53 and resolved as in the copy enclosed that in view of the most unsatisfactory financial position and slender resources of the Municipality, which is causing grave anxiety to meet the re--c-urring expenditure besides the heavy annual commitments to repay the heavy outstanding arrears due to Government and annuity towards interest and Government loan, medical contribution, arrears of education cess etc and its further commitments to pay further annuity and inter--est towards the new loan of Rs 15,40,000/- kindly sanctioned by Govern--ment for laying 16" Pipe line from Harihar to Davanagere, to request the Government kindly to exempt the Municipality permanently from pay--ment of the annual contribution in this behalf and also to waive the payment of the arrears outstanding since this Municipality is utterly helpless to discharge such contributions in the face of its most pressing and essential commitments

The Government are also aware of the present financial condition of this Municipality and the difficult period, they have now to hide over on account of prevalence of distress and slackness of trade

and it will therefore be almost impossible for the Municipality to pay this sum

I therefore request that orders of Government may kindly be obtained for exempting this Municipality from payment of this - annual contribution permanently and for waiving the payment of the outstanding arrears provided in the current years Budget

Subject Calling the payment of annual contribution by Davangere City Municipal Council to the Government Occupational Institute, Davangere

= = =

~~Ref Your No H.C.83/53-54 dated 30-7-1953.~~

With reference to your letter No H C 83/53-54 dated 30th ~~March~~ July 1953, I am ~~directed~~ directed to state as follows

The Davangere City Municipal Council had to pay an annual contribution of Rs 20,000/- towards the starting of the two additional Diploma Courses in accordance with Government Order No E 3056-71/J O I 7-48-13 dated the 29th Sept 1949 Then the two additional Diploma Courses in Civil Draughtsmanship and Electrical ~~Testing~~ Technology were opened in the D R R Occupational Institute, Davangere, as per G O No E 1018-90/J O I 4-50-20 dated the 27th December 1950

The Municipality paid the annual contribution due for the year 1950-51 but failed to pay for the years 1951-52 and 1952-53 The Accountant-General, Mysore, Bangalore, has intimated in his letter No I 14-A3 dated 12-6-1953 that the Government Order dated 27th Dec 1950 stipulates that two additional Diploma Courses newly opened should continue only till such time as the contribution of Rs 20,000/- agreed to by the Municipality is received and that as the Municipality have pleaded their inability to pay the contribution from 1951-52 onwards, the matter may be referred to Government for immediate orders to stop the additional Courses In this view, the very continuance of the two additional courses is irregular

The Managing Committee of the D R R Occupational Institute, Davangere, have also considered the resolution of the Municipal Council and have resolved that Government be addressed to instruct the Municipality to pay them ~~contributions~~ Contributions

Having considered all aspects of the case, Govt consider that it is not possible either to waive the recovery of the arrears or to stop contributions hereafter The Municipal Council should not go back from its original resolution and create complications The resolution of the Council is therefore not acceptable to Government The entire dues must be paid immediatel and special report sent to Government

Sub - Waiving the payment of annual contribution by Davanagere City Municipal Council to the Government Occupational In-stitute, Davanagere

***

With reference to your letter No I 12825/C M 52-53-5 dated 4th Jan 1954, I write to state that the City Municipal Council, Davanagere were apprised of the contents of the above letter wherein the Govern ent have ordered that the resolution of the Council is not acceptable to the Government and that the entire dues of 60,000/- must be paid imme-diately and a report sent to Government The Municipal Council have pleaded that since the passing of the resolution of 1949, the Municipality has been passing through very bad financial stingency The Muni-cipal indebtedness which was almost nil then is now increased to 25 lakhs of rupees, whole other Government contributions, the acquisition dues, sums due to contractors and Firms, all amounts to nearly 5 lakhs of rupees Their closing balance today is Rs 10,174/- Their recurring inevitable and obligatory expediture amounts to Rs 23,000/- per month After a thorough examination of their limited resources and huge commit-ments, the Municipal Council resolved that they are not in a position to meet this contribution and they have most reluctantly to go back from their original resolution out of sheer necessity and straitened cir-cumstances They pray therefore that the Government will kindly appreciate the real desperate financial plight of this Municipality and see their way to comply with the request of the Municipal council to waive this contribution in view of their helpless condition A copy of the council resolution is enclosed herewith for kind perusal o

Subject - Waiving the payment of Annual Contribution by the Davangere City Municipal Council to the Government Occupational Institute, Davangere

---

With reference to your letter No hC 176/53-54 dated the 13th January 1954 forwarding the resolution of the Municipal Council to waive the payment of contribution of Rs 60,000/- I am directed to state that as already intimated all aspects of the case have been considered by Government and it is considered that the Municipal Council should not go back from its original resolution since the additional courses were started only on that understanding In spite of the financial condition of the Municipality, it is considered that it is not desirable to waive the contribution for the reasons already explained In view of the above I am to request you kindly to arrange to pay the contribution and send a report to Government early

Sub: Obtaining of financial contribution by the Corporation of the City of Davangere towards the Educational Institutions in the City

- - O - -

With reference to the above subject, I have to state that the Corporation of the City of Davangere, in its meeting held on 23-6-1950 resolved to collect from the Educational Institutions in the City, a donation of Rs.20,000/- towards the Engineering College and Polytechnic College and to utilise the same for the development of the City. The Corporation in their resolution No.7, dated 23-6-1950 resolved to collect from the Educational Institutions in the City, a donation of Rs.20,000/- towards the Engineering College and Polytechnic College and to utilise the same for the development of the City. The Corporation felt that these Institutions are mainly concerned with the Education and hence there is no justification for the payment of financial contribution of Rs.20,000/- if the above specific purposes are not introduced as resolved by the Municipal Council. The Government resolved that Government may be informed that this Municipality is not therefore liable for the payment of the Contribution and that the amount of Rs.20,000/- paid in this regard should be refunded to this Municipality since the Institutions are through a great financial depression. Copies of resolutions proposed to be are enclosed

Subject Payment of Annual Contribution by Davangere City Municipality Council to the Occupational Institute Davangere

---

With reference to your letter No 101/T 14 A3 dated 4th August 1954, addressed to Secretary to Government, L S G and Planning Departments and copied to this Office on the subject mentioned above, I write to state as follows:-

The annual grant of Rs 20,000/- promised by the Municipal Council in their resolution No 47 dated 23-6-1950, was specifically for starting two additional diploma courses namely Civil Engg Draughtmanship and Electrical Teconology But so far these two particular diploma Courses have not been opened in the Occupational Institute On account of the above reasons the Municipal Council have resolved at their meeting held on 20-3-54 that there is no justification for the payment of the annual contribution and the Municipality is not liable for the payment of the contribution and to request Government to kindly refund the contribution amount of Rs 20,000/- paid by the Municipality in the year 1950 since the Municipality is passing through a great depression Accordingly a reference has been made to Government with this Office letter of even No dated 3rd April 1954 and orders of Government are awaited

In these circumstances, I request you to kindly not to issue any instruction to Treasury to effect transfer by reducing the balance at the Credit of the Municipality

(17) Subject - Waiving the recovery of annual contribution due by the Dawangere Municipal to the Occupational Institute at Dawangere

L 7452 /C M 34-54-4
22-9-54

To, The Municipal Commissioner, Dawangere City, Mysore through the Dept

Sir, With reference to correspondence ending with your letter No HC 176/53-54 & 3-4-54 on the above subject, I am directed to state as follows -

When the Occupational Institute was started at Dawangere in the year 1949-50, there were only one Diploma course in Oils and Soap Technology and three Artisan courses in (a) Electric Wiremen (b) Textiles (Spinning) & (c) Tailoring and Dress Making. During the year 1950-51, at the special request made by the Municipal Council, which agreed to contribute a sum of Rs 20,000 for the year towards recurring charges, as stipulated in Govt Order No E 3056-71/T 0 1 7-48-13 & 29-3-1949, two additional Diploma courses in Electrical Technology and Civil Draftsmanship and Estimating were started in the Institute in accordance with Govt Order No E 1018 4-90/T 0 1 4-50-20 & 27 1/50. The Municipal Council also contributed a sum of Rs 20,000 towards the recurring expenditure for the year 1950-51 as promised.

When the revision of the several Diploma and certificate courses was done by the ~~Advisory~~ Ad-hoc Committee constituted by Govt in September, 1949, with a view to make these ~~courses~~ two additional Diploma

courses started in the institute correspond to occupational
basic diploma
the similar courses existing in the other off
as well as Technical
institutes in the state, the designations of all
similar diploma courses were changed from
civil draftsmanship & Estimating and
Electrical Technology to civil Engineering
(Draftsmanship and construction) and Electrical
Engineering (general) respectively. Hence two
courses were not therefore actually abolished
as apprehended by the Municipal Council but
infact, they were upgraded, in view of this
revision By upgrading these courses, more
useful subjects have been introduced in the
curriculum of studies and the ~~entire~~ residents
of Davangere got the entire benefit on account
of this revision ~~of the Municipal~~. The Mcl
Council therefore finds fault with the govt
or the Institute for upgrading these two courses
as in other institutes, which results in the better
~~of type~~ type of courses being introduced

If the Municipal Council had not
taken the responsibility of contributing the
promised amount of Rs 20,000/- ~~for~~ Pa towards
the recurring expenditure as contemplated
in GO dt 29-9-49, govt would not have
started these two additional courses
which are upgraded now they were started
only on the initiative and moral assurance
of the Mcl for the regular contribution
of the amount promised. govt feel that

(19)

for approval ✓✓ { the moral responsibility of the Municipal Council is even greater than its financial responsibility. It cannot go back on its promise after the courses are started and claim for any concession

In these circumstances, I am to request that Govt cannot accept the request of the Municipal Council to waive the recovery of the amount due to the Institute. The Municipal Council is due Rs 80,000, including the contribution of Rs 20,000 for the year 1954-55. Necessary action may be taken to pay the outstanding arrears of Rs 80,000 immediately.

The payment of contribution in future may also be made regularly, by making necessary provisions in the budget of the Municipal Council from the next year onwards.

Municipal Commissioner,
Kolar Gold City Municipality,
(through the President)

Sir,

Subject:- Waiver to recovery of annual contribution due by the Kolar Gold City Municipal Council to the Occupational Institute at Kolar

Reference correspondence ending with your letter No. 17[illegible] 53-54 dated the 3rd April 1954 on the above subject, I am directed to state as follows:-

When the Occupational Institute was started at Kolar in the year 1949-50, there were only two diploma courses in Civil and Mechanical Technology and three artisan courses in (a) Electric Ironman, (b) Textiles (Spinning) and (c) Tailoring and Cutting during the year 1950-51 at the special request made by the Municipal Council, which agreed to contribute a sum of 20,000/- per year towards recurring charges as stipulated in Government Order No. 3050-71/J & I 7-48-13 dated 29th September 1949, two additional diploma courses in Electrical Technology and Civil Draftsmanship and Estimating were started in the Institute in accordance with Government Order No. 10184-90/J & I 4-50-20 dated the 27th November 1950 the Municipal Council also contributed a sum of 20,000/- towards the recurring expenditure for the year 1950-51 as provided for in the revised Budget Estimates. On the revision of the several diploma and certificate courses was made by the Committee on Technical Education constituted by Government in September 1949, with a view to make these two additional diploma courses started in the Institute correspond to the similar basic diploma courses existing in the other Occupational as well as Technical Institutes in the State, the designations of the similar diploma courses were changed from Civil Draftsmanship and Estimating and Electrical Technology to Civil Engineering (Draftsmanship and Construction) and Electrical Engineering (General) respectively. These two courses were, therefore, also, not

[illegible] by the Municipal Corporation, they were up-graded in view of this revision by upgrading these courses, more useful subjects have been introduced in the curriculum of studies and the results of examinations [illegible] on account of this revision. The Municipal Council cannot, therefore, find fault with the Government for not sanctioning grants for upgraded courses in Industrial Institutes, which are based on the basis of approved courses [illegible]

As the Municipal Council had not taken the responsibility of contributing the required amount of Rs 20,000/- per annum towards the recurring expenditure for continuing the courses after 31-3-1954 Government could not have started the two industrial courses which are [illegible] any where started on Government initiative and moral pressure of the Municipal Council. The Government cannot violate the accepted Government principle that the primary responsibility of the Municipal Council is to find out its own financial resources for its development schemes and not to look to Government for such assistance.

In these circumstances, I am afraid that Government is not in a position to accept the request of the Municipal Council for the recovery of the amount due to the Municipality which is due from Rs 20,000/- from the contribution of Rs 20,000/- for the year 1954-55. Necessary action may be taken to pay in addition to the current year's arrears of Rs 20,000/- The payment of contribution in full [illegible] by making necessary provision therefor in the budget of the Municipal Council for the next year onwards.

Yours faithfully,
